CHARACTERISTICS:

Lot Area is 43,860 square feet. Water frontage is 150 feet.  
Building set back from high water mark is 22.5 feet. (Building Line)  
Land height above high water mark at building line is 6 feet  
Building set back from State highway is 50 feet — from road or street is 200 feet.  
Side yard is 50 and 100 feet. Rear yard is 200 feet.  
Building will be located 12 feet from septic tank (Sewage System Permit must be obtained before installation).  
Building will be located 12 feet from soil absorption system (Cesspool, Drainfield, etc.).

Agreement: I hereby certify that the information contained herein is correct and agree to do the proposed work in accordance with the description above set forth and according to the provisions of the ordinances of Becker County, Minnesota. I further agree that any plans and specifications submitted herewith shall become a part of this permit application. I also understand that this permit is valid for a period of six (6) months. Applicant further agrees that no part of the sewage system shall be covered until it has been inspected and accepted. It shall be the responsibility of the applicant for the permit to notify the County Zoning Administrator, 48 hours before the job is ready for inspection.
